ABOUT CLONMEL AND RAHEEN COLLEGE	3
PROGRAMMES AT CLONMEL	3
FACILITIES AT RAHEEN COLLEGE	4
PROGRAMME: IRISH EXPERIENCE	7
PROGRAMME: ONE TAKE MOVIE	8
PROGRAMME: ROBOTICS SUMMER LAB	9
WEEKLY SCHEDULE	11
ABOUT SUL LEAGUE	13

With a population of approximately 20,000, Clonmel is the county town of Tipperary and is situated in a beautiful valley, surrounded by beautiful mountains, and rolling hills. It is located in the centre-south of Ireland, about two and a half hours away from Dublin.

The Irish Experience programme runs at Raheen College. This campus is ideal for young participants who prefer a quiet and welcoming small town. Our Coordinator has been running English Programs in Clonmel for more than 25 years.

The participants stay with very welcoming and carefully selected families who, throughout all these years, have shown great interest in hosting the students. Transfers between the family and the study centre will be done on foot.

## Programmes at Raheen College, Clonmel, Ireland:

# Facilities at Raheen College, Clonmel, Ireland (Home stay):

-  **FB** Full Board
-  **HB** Half Board
-  **NS** Number of students in the room
-  **EnS** En-suite
-  **SBa** Shared bathrooms
-  **SG** Separate accommodation for boys & girls

SUL's Irish Experience programme offers the opportunity to experience a full immersion into Irish life. As Homestay students, participants will benefit from both the language and the Irish way of living experience.

Spending a few weeks in Ireland living with an Irish host family and learning the language with no contact with any student of the same nationality will help you to become more fluent in English in addition to providing you with the perfect environment to improve your pronunciation while learning new vocabulary in a very short time. In addition, this experience will definitely help you to grow as a person.

Irish Experience programmes run in Rush, a small seaside town in Fingal, County Dublin and Clonmel, located in the centre-south of Ireland.

# TAKE MOVIE

“They did that in one take” is always an impressive statement to make about any film! Getting a scene down in a single take means everyone experiences a moment of perfection, or is it just pure luck?

SUL will run this exciting One Take Movie programme in 2023. We are proud to provide young filmmakers, aged 12 to 17, with a unique experience in the art of cinema.

Incorporating both theory and practice, our courses will teach students how to operate equipment and work on a set while providing a clear understanding of the fundamentals of how the art of cinema works.

At the end of our course, students will have written, filmed and edited a high quality One Take Movie, which we will premiere on SUL's YouTube channel.

Previous movies:

From our regular daily life to cutting-edge technology, Robotics Summer Lab offers an astonishing quest to explore the wonders of robotics through this Amazing Experience.

In cooperation with the Robotics Academy, we have designed this combined English and Robotics summer programme to help younger students learn English while developing the core concepts of problem solving and programming.

This course is ideally suited for children who love to be creative and find their own solutions to problems.

Every day, our students will be able to build their own LEGO robots and use them to solve everyday problems and answer questions. Students will use their creativity to improve on a robot's basic design, all the while learning advanced concepts.

Every week will be packed with fun excursions and exciting challenges designed to test the limits of students' robots. The robots will be navigating their way through mazes, overcoming obstacles and battling against each other.

In cooperation with:

## WEEKLY PROGRAMME | WEEKS 1-2

Day		Morning		Afternoon			Evening

# WHICH TEAM WILL BE YOURS?

# SUL LEAGUE CATEGORIES

## Academic achievement

Got the brains to be the best? Win points by answering questions, achieving goals and producing outstanding work.

## Participation

Get involved to score! Show your energetic side and get involved in games, songs and activities to score points for your team.

## Language

Gain points for showing an excellent grasp of new language learnt. Lose points for failing to use English in the class.

## Environmental awareness

At SUL we look after our environment, and we want you to do the same. Look after your possessions, your classroom and the school grounds to gain points. Fail to do these things, and you will lose points.

## Social awareness

Respect towards your teachers and classmates is important, and good manners cost nothing. Show these traits to gain points. Show disrespect, or behave poorly towards the people around you, and you will lose points.

**SUL League is a system which helps to enhance the academic and social programmes at SUL, as well as increase the level of students' integration into an academic process and plays an important part in educating the ones who are passionate for learning.**

The SUL League is an exciting and inclusive opportunity for our students to get involved in a Global Project, where students from all over the world compete to become SUL League Champions! Four teams, five categories to score points in. Which team will be yours? .
