SUL's Canada Experience programme is a perfect choice for international junior students who are aged 13+ seeking a truly Canadian experience. It combines on-campus English lessons with action-packed daily activities and excursions outside the classroom. These provide a wealth of history, culture and exciting places to enjoy.

Students stay with families in Guelph, Ontario. The selected families reflect this cultural diversity, being one of the requirements to participate in the Program that English is the language spoken at home. The student must dedicate as much time as possible to be with his family to practice English, talk and have the opportunity to learn about their customs.

TAKE MOVIE

"They did that in one take" is always an impressive statement to make about any film! Getting a scene down in a single take means everyone experiences a moment of perfection, or is it just pure luck?

SUL will run this exciting One Take Movie programme in 2023. We are proud to provide young filmmakers aged 12 to 17 with a unique experience in the art of cinema.

Incorporating both theory and practice, our courses will teach students how to operate equipment and work on a set while providing a clear understanding of the fundamentals of how the art of cinema works.

At the end of our course, students will have written, filmed and edited a high-quality One Take Movie, which we will premiere on SUL's YouTube channel.
