

In 2023, our Amazing Experience programme offers a cohesive English and singing skills course for all students from 8 to 17-years-old. It is our aim to provide a music course for our International students which will help them be able to join a group (a band or choir), or to perform individually.

Music is an art form in which many different skills, cultures and forms of creativity come together. At SUL, we create an environment where music is always present. Children will be educated to develop their singing skills, whilst at the same time being encouraged to use music as a creative outlet in their lives.

Students will have the opportunity to explore music in engaging new ways, develop musical skills, learn hands-on games and warm-ups and work collaboratively. Our students will give group and individual performances on a weekly basis to the participants of The Amazing Experience Programme at Queen's College.
